

Session Program

23–24 Jun 2025

Beyond Flavour physics

Top and Higgs Physics II

Tuesday 24 June

11:00
12:30

Top and Higgs Physics II	
Session Location:	
11:00–11:45	NLO (+PS) prediction with a multi-purpose event generator
Speaker Dr Pia Bredt	
11:45–12:30	Overview of Higgs boson experimental results, hot topics and open questions
Speaker Dr Elisabeth Schopf
